Mini-Regensburg is a play-city for children ages 8 to 14 years and those who passed 2nd class.

July 31st to August 18th 2017,

Monday to Friday from 9 to 4 pm

closed on August 15th.

Mini-Regensburg takes place here:

Städtische Sporthalle Nord | Willi-Ulfig-Mittelschule,
Isarstraße 24

In Mini-Regensburg the children can playfully learn how adults operate their lives and how the city community functions. The children will play to work as citizens in different jobs, earn play money, study and spend the well-deserved play money on culture or commerce.

Politics is also represented. The children will choose a mayor and a city council. They will rule and supervise the city without interference of the adults. The children-city also has its own currency which is only available for children. The children usually understand the rules quickly. They conquer the children-city while playing.

- **There is no inscription necessary, but every child needs a special passport.**
- **This passport costs 10 Euros for 5 days, every following day costs 2 Euros.**
- **The children can choose the days when they want to play.**
- **There is a price reduction for low income families.**

Sales for the Mini-Regensburg-passport start on June 26th here:

Bürgerbüro Stadtmitte | Bürgerbüro Nord |
Bürgerbüro Burgweinting

From July 31st on the passport is available only at Mini-Regensburg.
